

N-ZO

n-ZO: the new generation Zodiac hybrid

N-ZO is the result of an innovation-based approach combined with the purity of a style drawn by one of the most prestigious Italian designers: Vittorio Garroni.

Offering a combination of comfort, looks and ease of use, the N-ZO's versatility will allow you to enjoy all boating activities (skiing, diving, exploration and cruises with family or friends). Its wide 5-seater cabin can sleep 2 and has a toilet cubicle. The ease of movement aboard is testimony to the ergonomic design of the deck. The bow sundeck is perfectly proportioned.

At the stern, the removable table and ample seating provide a comfortable and friendly area that can be converted into a sun deck. A small kitchenette with sink, fridge and (optional) stove allows completely self-sufficient cruising.

Indicated measurements may vary by +/- 3%, or +/- 5% for weight and speed measurements.
 (1) Maximum permitted load is calculated using ISO standards. Caution is advised when operating fully laden boats.
 (2) Recommended power is based on optimal use of the boat's abilities under average load. Depending on use, choose either maximum (water-skiing) or minimum power (fishing, cruising).
 (3) Maximum permitted power, when above maximum recommended power, must be used with the most extreme caution. It should only concern experienced users, employing their boat for very specific purposes (carrying heavy loads, etc.). The manufacturer's plaque specifies maximum permitted power. The power of your boat must never exceed this under any circumstances.
 (4) Maximum permitted weight, dry weight, according to motor manufacturers' catalogue specifications.
 (5) Maximum speeds are intended as a guide only; they were measured in ideal conditions by professional pilots with one person aboard. They may vary according to make of motor, boat load, propeller type and water conditions.
 (6) Models in this catalogue are sometimes shown with optional accessories. Please check standard equipment supplied with each model. See your Zodiac agent for more information. Zodiac continually strives to improve its products and as such reserves the right to modify or delete any model presented in this catalogue without prior warning. Photos of the models presented in this catalogue are not contractual.

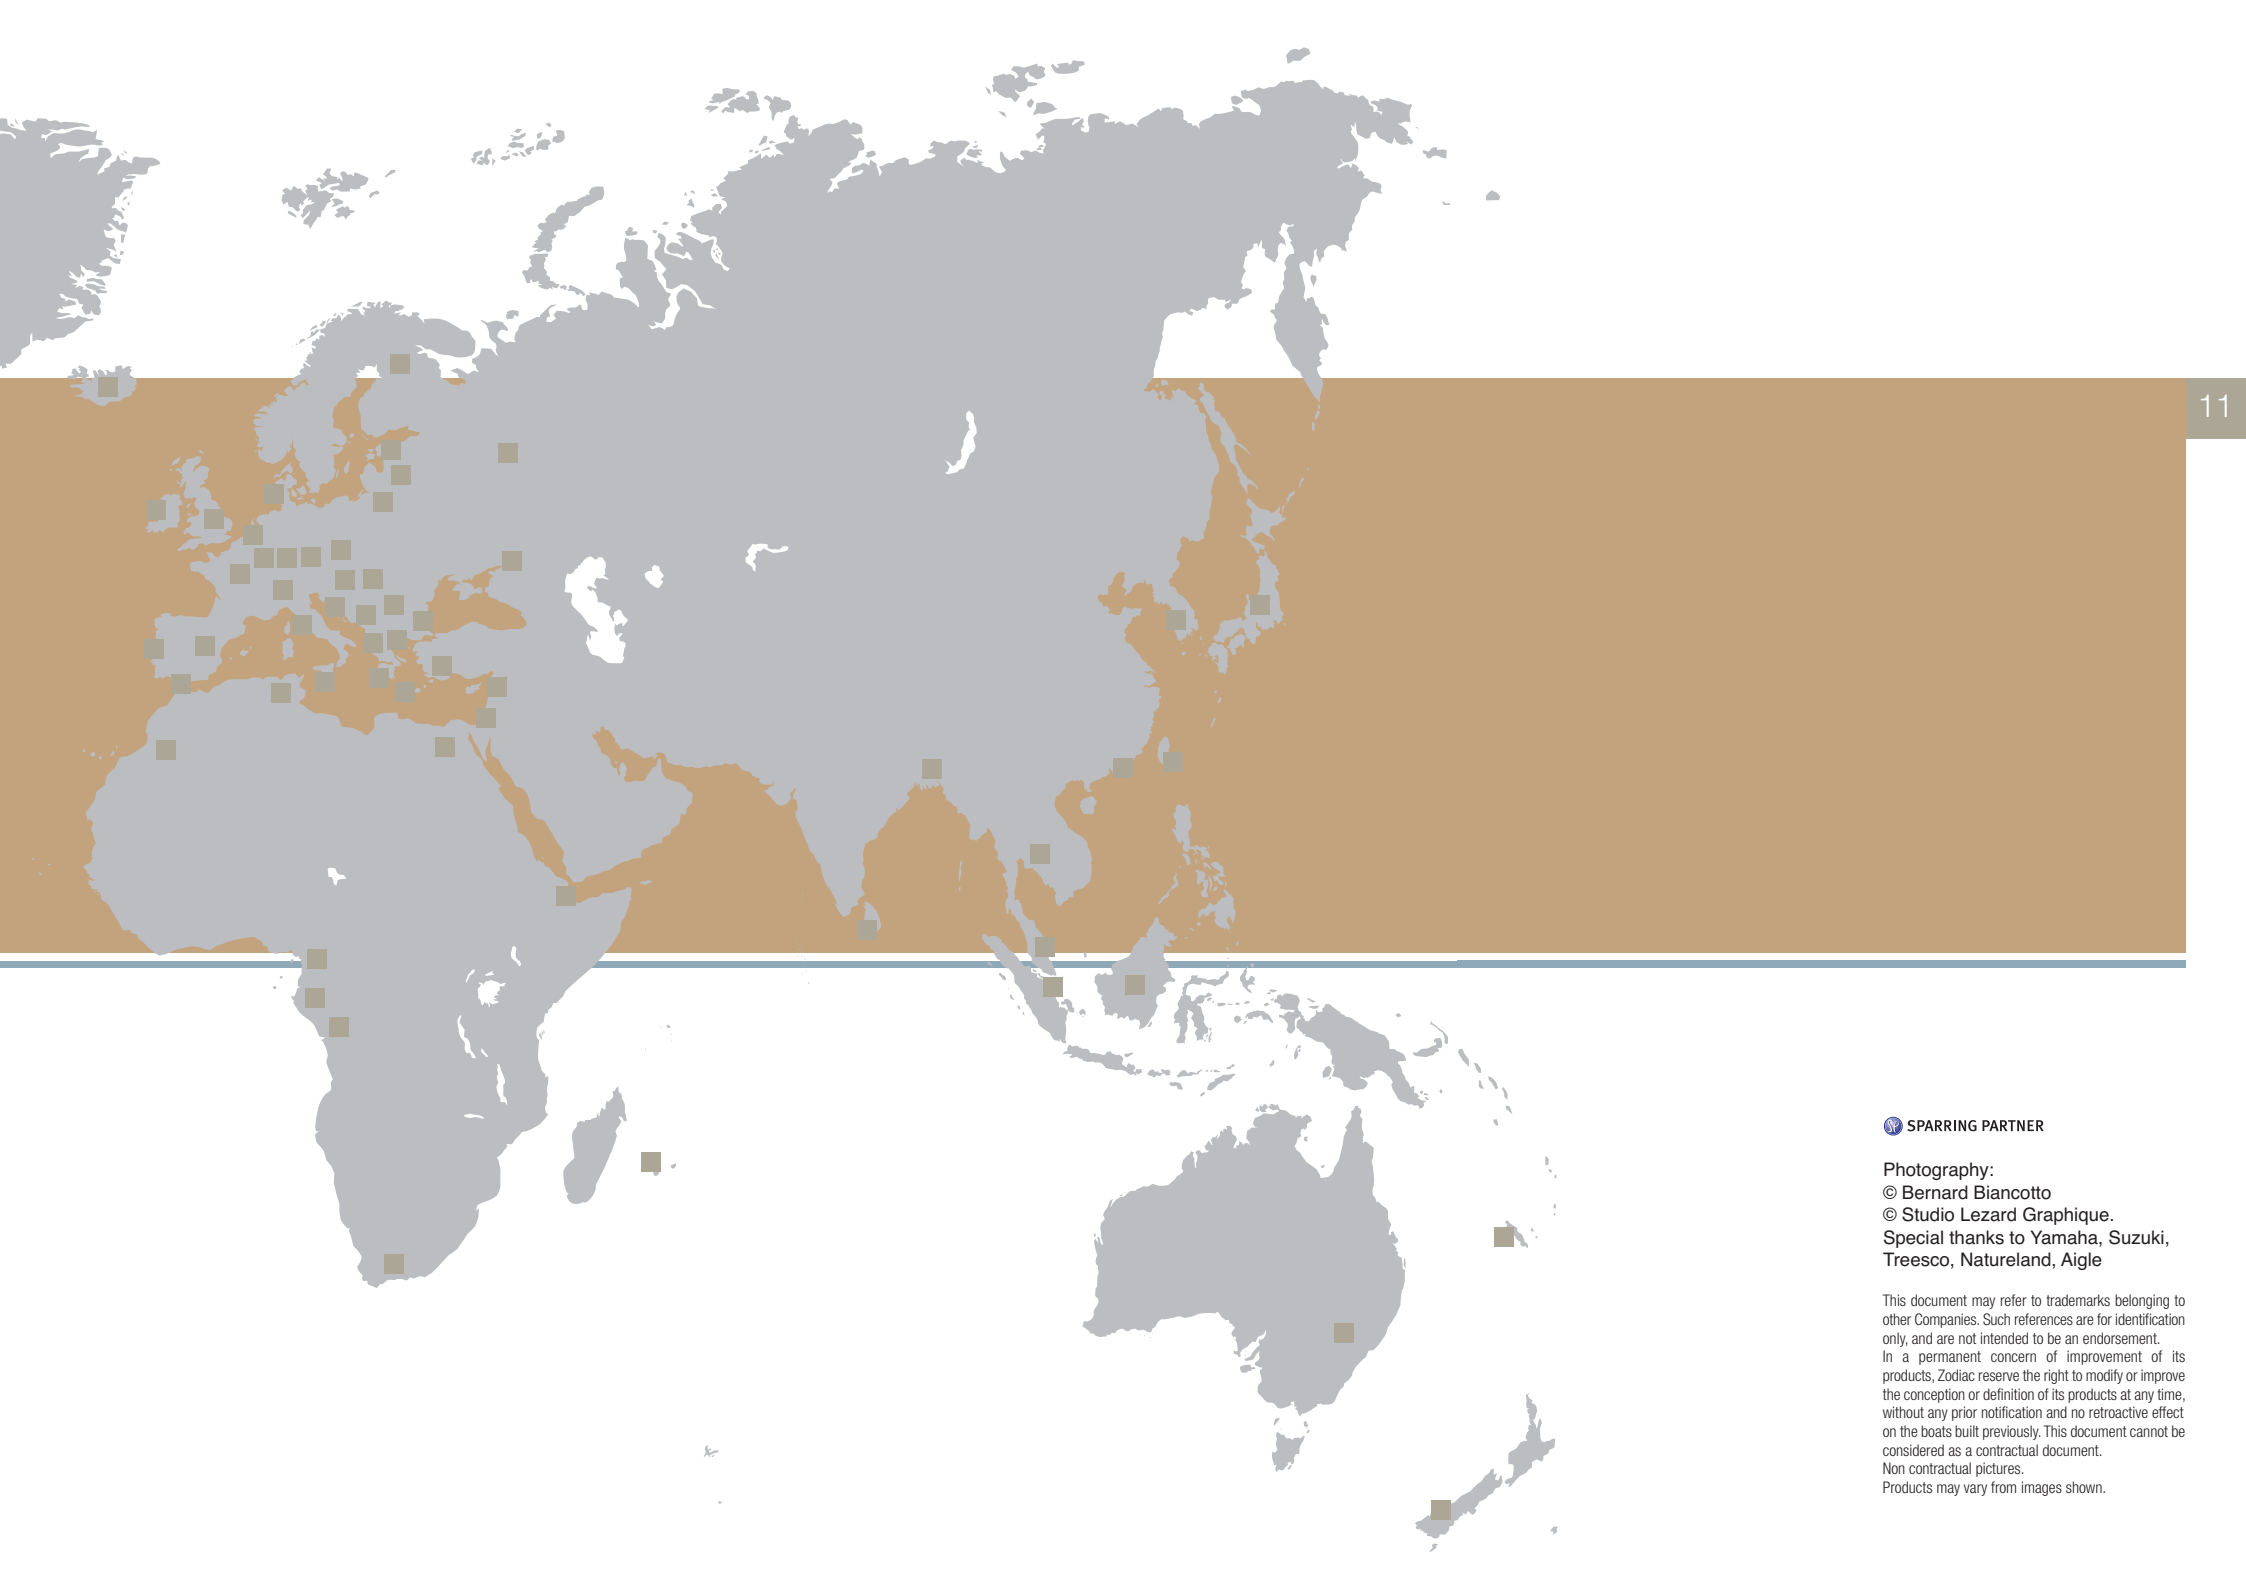

A WORLDWIDE NETWORK

Wherever you are in the world, you will find a Zodiac dealer to help you.

We have a worldwide network of more than 1600 points of sales distributed in 90 countries, made up by boating experts.
