

SRMN

SEA RIB™ MARINE AND NAVY

WORLD RECOGNIZED SEA RIB™

Zodiac Milpro's SRMN were originally built for military use so their hulls are reinforced to take the maximum G forces that are applied when fully laden and powered at maximum speed.

These SEA RIB™ are simple, functional and tough. The collar is a heavy-duty CSM / neoprene with Zodiac Milpro's special intercommunicating valves. The total deck area is open and reinforced allowing installation anywhere of our wide range of steering consoles, bolsters and other equipment.

SRMN boat's design allows Durarib™ collar and Rapid Access Door fitting; giving to users the largest operation range.

Available as an "off the shelf" product and maintained in stock at warehouses and selected dealers.

- **RELIABLE**
- **SIMPLE**
- **RAPID ACCESS DOOR**
- **DURARIB™ COLLAR**

Durarib™ Collar

Featuring outside skin in heavy duty fabric, foam insert and inner tensioning air bladder, the Zodiac Milpro Durarib™ collar is designed for users needing very tough collars. It keeps its shape and functions even when damaged and minimizes maintenance.

Rapid Access Door

Designed by Zodiac Milpro, the Rapid Access Door is essential when water accessibility is required. This collar design facilitates diver deployment and rescue operations.
