Compass Clear Varnishes High Gloss Polyurethane Varnish with UV Filters

PRODUCT DESCRIPTION

Compass Clear is a highly durable one-part polyurethane gloss varnish that contains a unique combination of ultra-violet additives, HALS, surface stabilizers and antioxidants, to ensure long term gloss and clarity. Polyurethane resin adds incredible abrasion, chemical and water resistance. Superior leveling properties along with silky application allows you to achieve a professional, long lasting finish. Compass Clear is suitable for all internal and external woods, and can be applied directly to oily wood such as Teak. A bright, clear, high gloss finish lets the natural color of the wood show through.

PRODUCT INFORMATION		
Color	YVA502	
Finish	High Gloss	
Specific Gravity	0.9	
Volume Solids	41%	
Typical Shelf Life	2 yrs	
VOC (As Supplied)	471 g/lt (3.86 lb/gal)	
Unit Size	1 US Quart
