

# ValvTect X-TENDED PROTECTION PLUS™ (XP+)

X-TENDED PROTECTION PLUS™ (XP+) Gasoline Treatment is an advanced high performance gasoline additive designed to protect fuel systems from problems caused by ethanol gasoline (up to E85) & non-ethanol gasoline.

- High performance detergent chemistry cleans up carbon deposits & prevents all types of fuel system deposits.
- Keeps carburetors, injectors, intake valves & combustion chambers cleaner.
- Maximizes power, acceleration & fuel economy.
- Stabilizes fuel for a year or more.
- Extra anti-oxidants keep fuel fresh longer.
- Extra corrosion inhibitor prevents rust and corrosion caused by wet fuels.
- Prevents build-up of gum, varnish & “gunk”
- Extends fuel filter life.
- Safely & effectively controls moisture.
- Helps prevent phase separation.
- Helps prevent octane loss.
- Improves power & performance.
- Documented fuel economy improvement.
- Effective & safe in all types of gasoline applications & engines.
- Double treat not required for storage.

04 oz bottle treats 40 gallons.

16 oz bottle treats 160 gallons.

32 oz bottle treats 320 gallons.
