

PROTECT WHAT MATTERS

EXCLUSIVE G-SERIES EVENT

 Polyform US is proud to support Susan G. Komen®! And Land 'N' Sea Distributing is now partnering with Polyform US to make a difference.

Join us too! Build awareness for a great cause at your dock or boat. And help Polyform with a commitment to quality and your family.

KEY G-SERIES FEATURES

-  Even wall thickness for maximum strength and durability
-  Molded-in ribs for strength and abrasion resistance
-  Reinforced ropeholds
-  Designed for use by trailered boats and in permanent protected moorings
-  Unique Polyform valve for years of service
