PORTSHADE is an ultra-slim blackout cassette roller blind, suitable for even the smallest portlights. It can be used for vertical or horizontal surfaces, with the added benefit of also being well suited for curved surfaces. PORTSHADE is easy to fit and comes in a range of standard sizes.

- Blackout blind for portlights and small windows
- 100% marinated for the harshest environments
- Ideally suited for curved surfaces
- Simple installation, all mounting hardware included
- Custom sizes available by special order

Measuring guide
