AB Limited Warranty

10. Year Limited Warranty (For models 2013 and up)

1. What is Covered – The AB DISTRIBUTOR warrants to the original purchaser of a properly registered AB inflatable boat that:

Every registered AB inflatable boat and its parts and accessories is warranted by the AB DISTRIBUTOR under conditions of normal purchase as specified and limited below, with respect to items as follows from the date of original purchase:

A. Fabric: The Chlorosulfonated Polyethylene (CSM) coated fabric of the tubes is warranted for a period of ten (10) years against porosity deterioration affecting serviceability. This warranty does not include discoloration, puncture, fading, tearing, ripping, cracking, abrasion, chaffing, negligence, accident or ordinary wear and tear. AB will repair or replace at no charge during year 1 through 5. During years 6 to 10, if it is determined that the fabric is defective and in the event of replacement of inflatable tube, it will be offered at the following discount from the current manufacturer’s suggested retail price for the models:

- 50% discount in year 6
- 40% discount in year 7
- 30% discount in year 8
- 20% discount in year 9
- 10% discount in year 10

B. Valves: The inflation valves are warranted for five (5) years against defects in materials and workmanship. This warranty does not include ordinary wear and tear, negligence, or damage by improper inflation techniques.

C. Seams: The air holding seams of the inflatable tube are warranted for five (5) years against separation and subsequent loss of air, which exceeds twenty percent (20%) of recommended inflation pressure when measured over a period of five (5) days, while maintaining the boat at a constant temperature in a controlled environment. The major cause of damage is the result of running the boat underinflated. The owner is expected to check and properly maintain the correct inflation pressure before using the boat, or when temperature variations have exceeded ten degrees Celsius (10°C) or fifty degrees Fahrenheit (50°F) since inflation, or when running under unusual operation conditions.

D. Fiberglass hull: The composite of fiberglass hulls are warranted for one (1) year against structural defects in materials and workmanship. This warranty does not include the surface finish or any damage due to misuse, negligence or ordinary wear. This warranty is cancelled, if the boat is operated with an outboard motor which exceeds the maximum horsepower rating, listed on the serial plate attached to the transom.

E. Aluminum RIB’s: The aluminum hulls for non commercial use are warranted for two (2) year against structural defects in materials and workmanship. This warranty does not include the surface finish or any damage due to misuse, negligence or ordinary wear. This warranty is cancelled if the boat is operated with an outboard motor which exceeds the maximum horsepower rating listed on the serial plate attached to the transom.

H. Accessories: The oars, handles, seats, rings, moorings, cushions, steering systems and cables, hydraulic hoses and fittings, fuel systems, associated hoses, fittings, tanks, hardware and electrical cables, are warranted for one (1) year against defects in material and workmanship, with the exception of bilge pumps and water pumps. This warranty does not include any painted or finished surfaces.
2. What is not Covered – This limited Warranty shall not apply to:

A. Any minor boat damage, including but not limited to gelcoat grazing or blistering.

B. Any damage to AB inflatable boat due to negligence, accident, misuse, alteration, improper operation, improper tailoring, collision, fire, theft, vandalism, riot, explosion, or objects striking the boat, use of an outboard motor in excess of the maximum horsepower listed on the data plate fastened to the transom, or improper maintenance or storage.

C. Any damage resulting from towing AB inflatable boat, or any damage resulting from lifting an AB inflatable boat, except when the lifting eyes attached to the inflatable boat are properly utilized in connection with an AB approved lifting harness.

D. Tubes exposed to harsh or corrosive chemicals.

E. Parts installed by anyone other than AB DISTRIBUTOR authorized personnel.

F. Any damage caused by aftermarket parts.

G. AB Inflatables boats purchased for racing or in other competitive events as well as charter, rental, commercial or governmental use.

H. Any work done on an AB inflatable boat at an unauthorized service station and/or without AB DISTRIBUTOR prior approval, will void the remainder of the warranty for that product.

I. Freight, delivery, storage or other similar charges.

J. Equipment installed on AB inflatable boat (such as electronics) carries their own individual warranties provided by their respective manufacturers. In such cases, any warranty claims regarding those parts must be directed to those manufactures and not AB DISTRIBUTOR.

K. AB inflatable boat which is used in a manner contrary to the directions or instructions indicated in the AB Inflatables Owner’s Manual.

3. Commercial: Warranty for any AB inflatable boat purchased for commercial and/or governmental use will be covered as follows:

A. Fabric: The Chlorosulfonated Polyethylene (CSM) coated fabric of the tubes is warranted for a period of one (1) years against porosity deterioration affecting serviceability. This warranty does not include discoloration, puncture, fading, tearing, ripping, cracking, abrasion, chaffing, negligence, accident or ordinary wear and tear.

B. Seams: The air holding seams of the inflatable tube are warranted for one (1) year against separation and subsequent loss of air, which exceeds twenty percent (20%) of recommended inflation pressure when measured over a period of five (5) days, while maintaining the boat at a constant temperature in a controlled environment. The major cause of damage is the result of running the boat underinflated. The owner is expected to check and properly maintain the correct inflation pressure before using the boat, or when temperature variations have exceeded ten degrees Celsius (10°C) or fifty degrees Fahrenheit (50°F) since inflation, or when running under unusual operation conditions.

C. Fiberglass hull: The composite of fiberglass hulls are warranted for one (1) year against structural defects in materials and workmanship. This warranty does not include the surface finish or any damage due to misuse, negligence or ordinary wear. This warranty is cancelled, if the boat is operated with an outboard motor which exceeds the maximum horsepower rating, listed on the serial plate attached to the transom.
Warranty

D. Aluminum RIB’s: The aluminum hulls are warranted for one (1) year against structural defects in materials and workmanship. This warranty does not include the surface finish or any damage due to misuse, negligence or ordinary wear. This warranty is cancelled, if the boat is operated with an outboard motor which exceeds the maximum horsepower rating, listed on the serial plate attached to the transom.

E. Accessories: The oars, handles, seats, rings, moorings, cushions, steering systems and cables, hydraulic hoses and fittings, fuel systems, associated hoses, fittings, tanks, hardware, electrical cables, switches and fuse panels are warranted for one hundred and twenty (120) days against defects in material and workmanship, with the exception of bilge pumps and water pumps. This warranty does not include any painted or finished surfaces.

4. Transferability.

This warranty is transferable to another owner within one (1) year of original effective date of sale; provided that an original warranty card is on file with THE AB DISTRIBUTOR and that the new holder of the warranty provides proof, to the satisfaction of THE AB DISTRIBUTOR, that the owner has purchased another AB inflatable boat. The warranty transferred to a new owner is prorated in time with respect to the time of original purchase.

5. Effective Date and Conditions.

This warranty shall become effective on the date of sale provided that the warranty registration card is properly completed and mailed by the retail purchaser and received by the ABDISTRIBUTOR, within fifteen (15) days from date of purchase.

6. Miscellaneous:

This warranty shall not apply if the AB inflatable boat is subject to negligence, accident, improper operation or trailering, improper maintenance or storage, commercial or abnormal use or application, or to damage by circumstances beyond AB DISTRIBUTOR control, including but not limited to, puncture, tearing, ripping, abrasion, ordinary wear and tear. This warranty applies only to those parts and components manufactured by AB and installed by factory personnel.

This warranty is exclusive and in lieu of all other expressed or implied warranties, this warranty expressly excludes implied warranties, including, but not limited to, the implied warranty of merchantability or fitness for a particular use, except as specifically set forth within this warranty. AB DISTRIBUTOR sole obligation, and your exclusive remedy under this warranty, is limited to repair or replacement, at AB DISTRIBUTOR option, for parts found to be defective. In the event exact replacement parts or boats are not available at the time of the warranty claim, AB DISTRIBUTOR may substitute parts or boats of the same or better quality and the customer hereby agrees to accept such replacement in satisfaction of the warranty set forth herein. AB DISTRIBUTOR shall not be liable for any consequential, incidental or contingent damages whatsoever, some states do not allow (A) limitations on how long applied warranties last, or (B) the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state.

All warranty claims must be made through an authorized AB repair station within thirty (30) days of discovery of defect and submitted on the warranty claim form available from the dealer together with proof of purchase. Photographs illustrating damage, if any, must accompany the claim. An authorized AB DISTRIBUTOR representative may make an inspection within a reasonable time after receipt of the claim. Freight and transport charges, where applicable, incurred in shipping a boat to be repaired or replaced, are to be paid by consumer purchaser. AB DISTRIBUTOR reserves the right to make changes in the
Warranty

design and materials of its inflatable boats without incurring any obligation to incorporate such changes in units already completed or in hands of dealers or consumers. The entire obligation of AB DISTRIBUTOR regarding the sale of its inflatable boats is stated within this warranty. AB DISTRIBUTOR does not authorize its dealers, repair stations or any other person to assume for it any other liability in connection with the sale of its inflatable boats, the Federal Safety Act of 1971 provides for defect notification to the first purchaser. Failure to register your purchase with the manufacturer constitutes waiver of the right to defect notification. Demand that the dealer completes your own registration form and send it to the manufacturer. If you are unable to locate an authorized AB dealer please contact: AB Inflatables at info@abinflatables.com.
