

ACHILLES INFLATABLE CRAFT LIMITED WARRANTY

Warranty Coverage

Achilles Corporation C/O Achilles Inflatable Craft (A Division of Achilles USA, Inc.) hereafter called "Achilles" makes the following warranties to the original purchaser, hereafter called "YOU", of an Inflatable Craft manufactured by it:

1. Warrants the seams of the ACHILLES hull for a period of five (5) years from the date of original purchase against separation and subsequent loss of air.
2. Warrants the fabric used in the construction of the hull, keel (where installed) and bottom of the Inflatable boat against defects in workmanship and materials for a period of five (5) years from the date of original purchase. Fabric discoloration due to any cause is not a warranty consideration.
3. The transoms and motor mounts on all Achilles boats are warranted for one year. In addition, the transom on all ACHILLES Inflatable Boats (where installed), excluding demountable brackets for dinghies, is warranted against separation from the hull for a period of one (1) year from the date of original purchase. However, this warranty is canceled if an outboard motor in excess of the maximum horsepower listed on the data plated fastened to the transom is used to power or propel the boat.
4. "FIBERGLASS HULL" "Air Firm" Floor, floorboards, oars, handles, towing rings and all other ACHILLES attachments or ACHILLES accessories attached to or purchased for attachment to or use on ACHILLES Inflatable Boats are warranted for a period of one (1) year from the date of original purchase against defects in workmanship and material. If, within the warranty periods set forth above, your new Inflatable Boat is proved to ACHILLES' satisfaction to be defective, non-conforming parts will be repaired without charges for parts or labor, or replaced, at ACHILLES' option.

OTHER LIMITATIONS OR EXCLUSIONS

1. This warranty coverage is extended only to you, the original purchaser, and this warranty may not be transferred or assigned.
2. This warranty shall not apply to Inflatable Boats subjected to negligence, accident, improper operation or trailering, improper maintenance or storage, commercial use or other than normal use or application as described in the Achilles Inflatable Instruction Manual or to damage by circumstances beyond ACHILLES control.
3. This warranty does not cover damage to the Inflatable Boat because of puncture, tearing, ripping, abrasion, ordinary wear and tear, abuse, negligence, or modification to the hull.
4. ACHILLES LIMITS ALL IMPLIED WARRANTIES TO ONE (1) YEAR FROM THE DATE OUR BOAT WAS ORIGINALLY PURCHASED AT RETAIL. (Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you).

Warranty Claim Procedure:

All warranty claims must be made through an Achilles dealer within thirty (30) days after discovery of a defect and submitted on the ACHILLES warranty claim form by the dealer together with proof of purchase. Photographs illustrating damage, if any, must accompany the claim. An inspection may be made, within a reasonable time, by an authorized representative after receipt of the claim.

When a warranty claim is valid, ACHILLES will repair, have repaired, or at its option, replace the Inflatable Boat or defective part free of charge. Freight and transportation charges, where applicable, incurred in shipping a boat to be repaired or replaced are to be paid by consumer purchaser.
